Work Experience

QC Lead

Stark | Calhoun, GA

January 2022 to Present

At Stark we make custom area rugs, from the edge finish to the backing and packaging with high value padding. During my time here I have exceeded in meeting production standards, even setting new standards, and leading teams in different areas to do the same and ensure quality of work is up to the standards guaranteed by our sales team and company model. I've also created and helped integrate systems to allow the flow of work to be seamless and more efficient.

Twisting Operator

Shaw Industries | Calhoun, GA

June 2020 to December 2022

Operated a twister machine, A and B side, 60 positions on both sides. From 8-12 hours throughout the night. Required to meet production every day (1750 lbs).

Shift Leader

Sonic Drive-In | Calhoun, GA

August 2018 to June 2020

While at sonic, I was efficient in food preparation and handling. When promoted to crew leader I was expected and succeeded at leading crew members, training, and learning multiple positions in the store.

Education

High school diploma

Calhoun High School | Calhoun, GA

August 2017 to May 2021

None
